## Qurbani - 2024

Allah SWT and from your generous donation we performed qurbani of **86 animals** in different districts of **Bangladesh, India, Myanmar, Pakistan and Afghanistan** (Allahumdulliah). We appreciate gift of kindness for partnering with us for this project. We also sincerely appreciate our local team for their hard work to complete the project properly, May Allah SWT accept from them and reward them immensely (ameen ya rob).

## Flood support in Sylhet

Humanitarian crisis caused by flood in great sylhet was devastating, Leading widespread displacement, Health issues, etc. Sanabil Foundation partnered with the local representatives to provide essential needs to flood victims to relief their suffering a bit. May Allah SWT help them and remove their suffering (ameen ya rob).

## Update for Sanabil Center Sylhet

Sanabil Foundation initiated a unique style of education in there centers by combining general education + Islamic education + computer education and proving health services to the needy students as needed. Our goal is to provide them a path to become successful in dunia and Akira. Our sylhet center successfully implemented the curriculum and made great progress (Allahumdulliah). The center is under a great team and stuff that monitor on a day to day operation to make sure we provide the best services for the less fortunate students.

## Update for partnership with PFDA

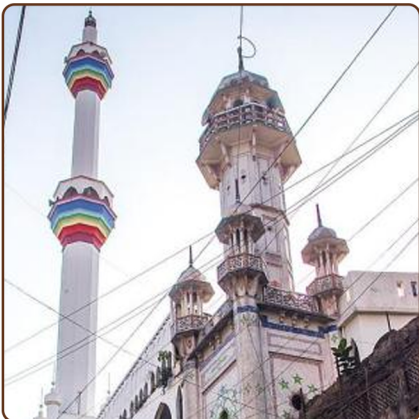

Sanabil Foundation partnered with PFDA vocational training center trust to uplift autistic children in Bangladesh. Our focused is to give religious education to the autistic kids at the same time provide them vocational training then they can become self sufficient in sha Allah, With this goal in mind Sanabil Foundation contribute monthly for those activities to make sure programs are running smoothly without any issues.

## Sanabil housing, Juri

Housing is one of the flagship programs, Sanabil adopted couple of years back where brand new houses are built on land owned by beneficiary families with children live well below poverty line. A house lasts more than one generation, Part of this continued work, Sanabil Juri handed over 3rd house in June. May Allah Swt accepts from donors and Sanabil volunteers.

## Rebuilding the community

Sanabil Foundation partnered with a local community brother for Masjid expansion in Dhaka by contributing a small amount (Allahumdulliah).
